Request for Recalculation of Patent Term Adjustment

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Madam:

The Applicant requests review of the Patent Term Adjustment (PTA) calculation because the term adjustment may be longer than indicated. The Notice of Allowance for the above-identified application, dated November 17, 2008, indicates a Patent Term Adjustment of 77 days. The Applicant believes that the correct determination is 83 days, because the time period for response to the Office Action originally mailed on June 20, 2008 was *restarted* on June 26, 2008, when the Office Action was mailed to Applicant's correct correspondence address. Accordingly, the Applicant's delay in responding to the Office Action originally mailed on June 20, 2008 was 31 days, *not* 37 days as used in the U.S. Patent and Trademark Office's initial PTA calculation. Please review the PTA calculation and advise us of the result.
